## OFFICE OF LEGISLATIVE COUNSEL

Monday - 9 September 1963

of the proposed limit the Associated Presidented Presi	Met with Mr. James T. Kendali, committee on Preparedness investigation, concerning it of the Subcommittee report on the military implication ited nuclear test ban treaty. The draft released to be contained classified information. Mr. Kendall abcommittee is very upset about this matter and that is Associated Press was an uncorrected copy of the drawiew and security deletion on Priday afterneon and known that this version of the report had been release sived from United Press in the early hours this morning to why the report furnished them was different than urnished Associated Press. At this point the item seem instead by Associated Press but had been picked in Post which was already on the street. It was we that since nothing could be done about recalling the given to further inquiries that the material set forth set was not from the Committee report.	ft.
3. Assistant Glerk, Şes	I was unable to meet with Mr. Francis Hewitt, nate Committee on Appropriations, during the day as
